🪲 100% Clean

Softpedia guarantees that <u>RikySoft Simple Account Manager</u> is 100% Clean, which means it does not contain any form of malware, including but not limited to: spyware, viruses, trojans and backdoors.

This software product was tested thoroughly and was found absolutely clean; therefore, it can be installed with no concern by any computer user. However, it should be noted that this product will be retested periodically and the award may be withdrawn, so you should check back occasionally and pay attention to the date of testing shown above.

Note: this award is offered by Softpedia and can be used only by the developer of the software product that received the award.
